Would you like your quilt trimmed? (Complimentary)
(Please note I do not square up quilted quilts) Yes No

May I post photos of your quilt to social media? Yes No

IG handle _____

If this quilt is displayed in a show or publication, I agree to credit the machine quilting to Kim Tocci.

I authorize Kim Tocci of Quigley's Quilts to complete the work listed above. I understand that payment is due upon completion of the quilting. If payment is not received within 20 days the quilt then becomes property of Quigley's Quilts. If needed payment arrangements can be made. Quilts will be mailed back at customer's expense.

Disclaimer: The quilting process isn't perfect. You may see slight imperfections in your quilting pattern. If your quilt is not square or your borders aren't sewn on straight of grain, there is a greater chance of wavy edges and/or puckering on your quilt. I take great care and I am always watching your quilt on the machine. I want to make sure you are happy with the process and the result so please ask questions if you have them and feel free to leave comments about your vision. I am happy to consult with you in person or over the phone if necessary.

SPECIAL NOTES

Batting Pricelist:

I use and stock my favorite Quilters Dream batting in the 70/30 cotton/silky blend, 80/20 cotton/poly blend, 100% cotton-both Select and Deluxe, and Dream bamboo blend. I have limited quantities of wool batting in stock, please ask for availability. Select and 80/20 blend come in white-all others are natural color.

I charge for batting by the linear inch from queen rolls of batting except in the case of special orders. I will use only what is needed for your quilt (smallest side + a 5" margin) and charge per inch.

Example- 60x80 quilt will use 65" of batting

100% cotton Deluxe @ \$0.50/in =\$32.50

70/30 cotton/silky blend OR 80/20 Cotton/poly blend@ \$0.40/in =\$26.00

Dream Bamboo OR cotton Select @ \$0.45/in =\$29.25

King batting-100% cotton-Select loft only (used in any quilt with ALL sides OVER 87") \$0.55/in

**You may supply your own batting but I cannot guarantee the outcome of the thread tension. Quilter's Dream works flawlessly with my machine and thread so I definitely recommend using it for a great result!

For your information...

All quilting is done on an APQS Millennium longarm with QuiltPath.

Quilting rate starts at \$.025 per square inch for inch to edge designs, depending on density of pattern

Custom quilting starts at \$.05 per square inch

There is a minimum order charge of \$50

Current turnaround time is approximately 3 to 4 weeks. Rush service is available for an additional charge of \$75 and can be completed within 1 week.

For long distance customers: Quilts will be mailed back for a flat rate of \$20.00 for first quilt and \$10 for each additional.

Quilting Pattern Choice: I am happy to help choose a quilting pattern that is right for your quilt. I adjust the quilting pattern to a medium density; if you want closer (denser) quilting, please add this to the notes. There is a slight Surcharge for dense quilting.

Thread Color Choice: I match the thread color as best as I can to the quilt top. For example, if you choose blue for your thread color, I will choose the blue that best matches your project. If you would like the thread to contrast with the fabric on your quilt, please let me know and we will choose a color that works accordingly.

Preparing your top

- Backing and batting must be 4 inches larger than your quilt top on all four sides. (if quilt is 60"x60" then your backing/batting need to be 68"x68")
- Please do not to baste your quilt.
- Please make sure your seams are secure and lay flat. You may want to iron it before you send it.
- If the quilt or backing is directional please mark the top and bottom.
- Please press your quilt top and trim all loose threads before sending. If you have fur babies please run a roller over the quilt top to remove pet hair if applicable.
- Backing should be pressed and square
